

**Royal Thai Embassy
Copenhagen**

The Royal Thai Embassy in Copenhagen and the Thailand Board of Investment, in cooperation with the Confederation of Danish Industries, cordially invite you to a free of charge seminar about Thailand, with a Thai buffet, on February 28th, 2008 at 14.00-17.00 at Room C (Lokale C), Marselis Hotel on Strandvejen 25 in Aarhus.

Use the possibility to get updated on the opportunities that are in store in Thailand. Thailand offers investors a wide range of benefits and opportunities, including tax and non-tax incentives, a liberal and business-friendly economic environment, and a warm, welcoming foreigner-friendly people and government.

Thailand Board of Investment (BOI), the unit of the Thailand Government responsible for attracting and facilitating investment in Thailand offers the following services:

Enhancing Competitiveness and Investment Facilitation

- Offers an attractive and competitive package of tax incentives
- Imposes no foreign equity restrictions on manufacturing activities or on some services
- Provides assistance in the provision of visas and work permits to facilitate entry and subsequent operation for a foreign-owned business
- Waives restrictions on land ownership by foreign entities

Business Support Services

- Provides comprehensive information and advice on establishing in Thailand
- Arranges site visits
- Identifies potential suppliers, subcontractors, joint venture partners
- Provides useful contacts with key public and private organizations
- Coordinates between the foreign business community and other public agencies
